TOP TEN REASONS WHY *YOU* SHOULD BE A STEPHEN MINISTER

Stephen Ministers are assertive caregivers

Stephen Ministers are trained to “speak the truth in love.” Christian assertiveness is a positive and constructive way of relating that respects others and ourselves. Stephen Ministers learn to recognize and avoid aggressive behaviors such as belittling and manipulation, and to avoid passive behaviors such as withdrawing and relinquishing rights. By learning to behave assertively, Stephen Ministers become more aware of God’s will for their lives and more aware of the needs of others.

If you would like to find out more about our Stephen Ministry please Contact Karen Bell.

We would like to begin a new training class in 2017.

Wrestling With Questions People Ask

How much do you know about other religions? We hear about the worst of them on TV, and, although we are unabashedly Christian, are there things we could learn from other faiths? Join Shannon during FLOW as we use an Adam Hamilton study to frame our time together. There is a book for \$10 that will greatly benefit participants. Shannon
