

# Flow

*Finding Life On Wednesdays*  
*Begins January 6, 2016*

## Youth Bible Study

What makes Jesus unique? Jamo Rudd will lead the youth in a study that features videos filmed throughout Israel and points back to Scriptural truths about why Jesus deserves our faith and devotion.

## Hey, Kids!

&

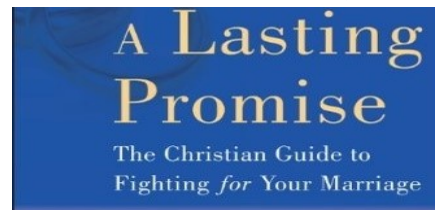

**Bible Blast** helps kids age 4-5th Grade and their families learn the Bible together. They read through a “comic book style” bible at home and then come together to answer quiz questions and win prizes!

**Children's Choir**, led by Debbie Harrington, sings regularly in worship. They will also play games and have weekly **Living Inside**

**Out** lessons that dare them to live out their faith 24/7.

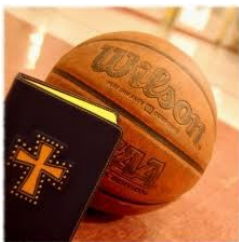

## Marriage and Relationships Class!

Whether you are just dating or have been married for decades, this class will benefit the relationships in your lives. Scott Stanley, et al, has been researching relationships for decades and has determined that working on communicating well is the key to healthy relationships. Shannon Davis will be teaching this class, which will include video vignettes, lecture and discussion, and practicing the principles discussed. An optional book, [A Lasting Promise](#), will be offered for purchase.

## Men's Bible Study and Basketball

All men are invited to join together to study the Bible. There will also be weekly pick-up basketball games for those who want to stay and play afterward.

## Handbells

Marita Reichenberger, our great choir director, leads our bell choir as they praise God through music.
