THE SEVEN "UPS"

Living our your faith from day to day can sometimes be difficult. Here are some uplifting tips on how to maintain your balance.

WAKE UP!

Decide to have a good day and make a commitment to live it to the fullest.

DRESS UP!

The best way to dress up is to put on a smile.

SHUT UP!

Try to say nice things and learn to listen.

STAND UP!

Stand up for what you believe in.

LOOK UP!

Look up to the Lord and know that he is the source of all your strength.

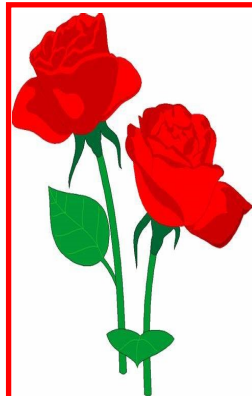

REACH UP!

Reach up for something higher. Don't settle for what is merely good, but strive for the best in all you do.

LIFT UP!

Lift up your concerns, your hopes, your fears, your dreams in prayer to the Lord. Lay them at his feet and ask him to respond as he has promised he will.

Care Portal, an initiative by the Global Orphan Project to support children in need, was launched in Woodward County on November 10, 2020. FUMC jumped in at the ground floor. We agreed to start meeting tangible needs of foster and biological families with children in the care of Woodward County DHS (Department of Human Services) and Circle of Care. Other churches in Woodward are also participating.

To date we have met the needs of four families by providing the following items: 2 sets of bunk beds, mattresses, bedding, baby clothes and car seats. Some items were purchased and some gently used, but so far, our church has donated approximately \$1400 worth of items to these families.

Response from members of the church has been phenomenal, and we see this ministry has so much room to grow as we move forward. Two basic ways to get involved are to make monetary donations to the Care Portal designated account at FUMC or by volunteering to deliver items to the families in need. If you have questions, please contact Brianna Domnick. (405.612.4900)
